**Goals and Objectives:**

- Encourage new and renewed international membership in GMDI in regions
- Liaise with international dietetic associations to share best practices
- Expand international resources to share with all GMDI members

**Activities:**

- Compile resources beneficial to GMDI International members and their patients.
- Make resources available via GMDI website.

**WE NEED VOLUNTEERS TO:**

- Review and update of clinical and educational materials and other International Resources on GMDI website
- Monitor Listserv to identify International educational materials and other resources appropriate for posting on GMDI website
- Encourage more international members in your region to sign up to join GMDI
